I just got off the phone with Chris Stoneman. He reminded me that any presentation material related to oil and gas needs to have the Administration's review and buy off. He's contacting Allison Davis now to let her know our PP is coming. She will likely need it tomorrow though.

Per Monica's suggestion, I'm working on very brief points to tee-up to the Tribe on where we are on emissions accounting in UB (WRAP > Registration data > UB 2014 EI and the GreenHouse Gas Reporting – subpart W).

I have a summary update on the '14 inventory I can give Shaun at SLT or we can include at the Thursday meeting.

Shaun/Deb/Joan discussed the Janet McCabe call scheduled for Wed 11/30 at 11:00 on R8 FIP for Uinta Basin. Shaun would like to schedule a briefing for Thursday afternoon when he will be back from his trip to Salt Lake. He will talk more about it at SLT this afternoon.

Debra – On Thursday he is free at 1:00-2:00 and 3:00-5:00. (I can reschedule the 3:30)
